

Sat. Nov. 12, 2016

Please join us for an afternoon of fun and exploring at the Houston Museum of Natural Science.

We have an exciting private tour planned of one of the main halls including some hands on exploring, as well as entrance to the Cockrell Butterfly Center. Following the tour we will walk across the street to the hill at Miller Outdoor Theater for a picnic and socializing, weather permitting. This event will be fun for all ages!! The whole family is invited; you do not have to be a member of our chapter to attend.
